You remember that when we discussed this last week we decided to hold off replying until the interdepartmental working group which had been pondering the problem had a chance to meet again to see if they could clarify the Administration's position. They were supposed to meet this week but haven't done so and have no firm date for an early meeting so I suggest we go ahead with this short version of a response before we encounter Symington again on Monday.

<p>State is replying that Joe Wolf is designated point of contact for the Subcommittee and that special intelligence clearances are being initiated for Moose and Lowenstein. State therefore has no objection to our second paragraph. Joe and I agree to do nothing about TKH clearances.</p> <p style="text-align: center;">John M. Maury Legislative Counsel</p>
